

Song of Heaven

Tune: Sing to Me of Heaven

Patsy Stevens

There's a ho - ly ci - ty com - ing down from God. John de - scribes a place of

joy for all the saved With foun - da - tions made of gems and gates of pearl,

And the streets of it with pur - est gold are paved. There'll be no more cry - ing,

nei - ther death nor pain. God and Je - sus are the light. The Lord will reign.

God has said that He will make all things brand new. We look for this ci - ty

for we know it's true.
