

The Storm

Jesus got into the boat. His followers were with Him. A great storm came on the lake. Jesus was asleep.

His followers said, "Lord, save us! We're going to die!"

Jesus said, "Why are you afraid?"

He spoke to the wind and it stopped blowing. He spoke to the water and it became still.

The Lost Son

Jesus told stories called parables. One story was about a man's son who left home. His father was good to him, but he was not happy. He went to a land far from home. He spent all his money. He needed food.

He said, "I will go home to Father."

He went home. His father was glad to see him. He hugged him and gave him gifts.

God loves us in the same way.
